October 1st, 2026

Dear Patient,

After 21 years of service with Pulmonary Associates, I have decided it is time to retire and begin life's next adventure.

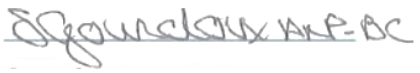

It has truly been a privilege and a pleasure to care for you over the years. I am incredibly grateful for the trust you have placed in me and for the relationships I have built with so many of my patients throughout my time at Pulmonary Associates.

My last day with Pulmonary Associates will be **April 30, 2027**, and I will be happy to continue serving you and caring for your pulmonary needs until that time.

As I prepare for retirement, I want you to know that your care will remain in very capable hands. The providers at our Deer Valley office are committed to continuing the quality care and support you have come to expect from Pulmonary Associates.

Thank you for entrusting me with your care and allowing me to be a part of your healthcare journey. I wish you continued health, happiness, and all the very best in the years ahead.

With sincere gratitude,

Stacey Gourdoux, NP
