Re: A New Chapter in Your Pulmonary Care ❤️

At Pulmonary Associates, our patients are at the heart of everything we do. It is a privilege to be part of your healthcare journey, and we are deeply grateful for the trust you place in us to care for your pulmonary health.

As we look toward an exciting new chapter, we would like to share an important update regarding one of our office locations.

Our Bell Road office, located at 3811 E. Bell Road, Suite 107, Phoenix, AZ 85032, **will be moving**. We will be bringing our team together at our Deer Valley Office, allowing us to continue providing the compassionate, personalized care you know and deserve at a new location.

Pulmonary Associates – Deer Valley Office
2550 W. Union Hills Drive, Suite 390
Phoenix, AZ 85027

While we are still working out the official dates of closure and transition, we can confirm the following:

- Both **Da-Wei Liao, MD** and **Camille Conger, PA** will be continuing your care at our Deer Valley Office Location. As many of you know, Dr. Baratz's last day with Pulmonary Associates was 11/13/2026.

We understand that changes can bring mixed emotions, and we want you to know that while our location is changing, our commitment to you remains the same. You can continue to count on our dedicated team to support your health, answer your questions, and provide the exceptional pulmonary care you have come to expect from us.

Although we will miss Dr. Baratz and our Bell Road office, we are excited about this next chapter and look forward to welcoming you to our Deer Valley location. New beginnings bring new opportunities, and we are grateful to have you alongside us as we move forward.

Thank you for choosing Pulmonary Associates as your pulmonary care provider. Your trust means more to us than words can express, and we look forward to continuing to care for you for many years to come.

With heartfelt appreciation and excitement for what lies ahead,

Your Pulmonary Associates Team
Dedicated to your breathing, your health, and your well-being …
